This Rockport ocean view gem is just 300 yards from beautiful Whale Cove where you can swim or enjoy the maritime scene. A welcoming porch overlooks conservation land and sets the stage to enter this comfortable home. Its spacious living room flows to the renovated kitchen in one direction or onto the serene screen porch with bucolic views in the other. Ocean views dominate the kitchen with its granite countertops and new stainless steel appliances. Step out the back door to the shady brick ocean side patio perfect for relaxing or dining al fresco. Entertaining is easy in this home with its multiple seating and dining areas. Possibility of converting garage into studio. Conveniently located about a mile from Rockport village.
