Direct waterfront on picturesque Goose Cove, this 3 bedroom, 3 bath home provides endless delights both inside and out. Situated on the water's edge with private dock and views out to Ipswich Bay, it's the perfect full time home or vacation home. Boasting gleaming hardwood floors throughout (except for the tiled kitchen and baths), this house has a ground floor bedroom and full bath, open concept living/dining room, sunroom with vaulted ceiling and lots of windows, and two bedrooms and two full baths upstairs. The kitchen is spacious with views, oak cabinets, and large pantry. Outside there is a wraparound deck and multilevel yard with dockside deck. Goose Cove which is locally known for its "whitewater" that appears near the causeway when the tide comes is usually tranquil and serene with abundant birdlife and amazing sunsets. Historic Dogtown with its 25 miles of hiking and nature trails is down the street while the Villages of Annisquam and Lanesville are also nearby.
